GERMAN CHANCELLOR OLAF SCHOLZ VISITS CHINA – VISIBILITY AND SENTIMENT TREND

GERMAN CHANCELLOR OLAF SCHOLZ VISITS CHINA – TOPICS BY REGION

While the joint stance against the use of **nuclear weapons** dominates headlines in global news media, Chinese sources put a strong emphasis on **German/Chinese economic ties**. Global outlets voice criticism over a **lack of coordination** with EU and US partners with regard to Germany's China strategy. Concerns over **human rights** issues are mainly discussed in German media.
